'IMPACT OF CORONA PANDEMIC ON FARMERS' LIFE: A SOCIOLOGICAL STUDY'

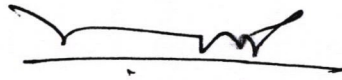

2020-21

Covid 19 made impact on society different ways. Due to lock down people closed within the four walls. Social interactions were closed and boundaries sealed of every countries. Many workers became jobless and many of them were working from house. As well as many people are passed away due corona.

India is agrarian country. Many people are depended on agriculture directly and indirectly. Due to corona not only farmers are suffers but farming labours also. So the Sociology department decided to study of impact of corona on farmers' life. Also Principal Dr. G. K. Sanap given the permission immediately. This sociological study tried to focus on what impact occurred on farmers' life due to corona. Data has collected through the primary data collection sources. The questionnaire was made for data collection. Questionnaire sent to college student through Google form. 159 Students of Sunderrao Solanke mahavidyalaya, Majalgaon were participated in this study and given the reply us. So the sample size of our study is 159.

After the data collection we analysed of data different ways. Mean, Median, Mode, Correlations technics used for data analyse. Then lastly we reached towards conclusion. Dr. G.T. Mokusare and N.V. Khetri took the efforts for this study.
