Details of Certificate Course on 'Election Process'

Introduction:

The Election process in India is the most important to Indian democracy & democratic values. Election process refer to the basic of election process in the reforms of local self-government, state government & central government. The election process aspires to provide a common, political and social conditions required for all individuals to lead a minimally good life.

Course Description:

This certificate course will give the students an insight into the subject of Election & election process. Students will understand what election process are and how could they participate in elections and its process. This course will be beneficial for all students, Professionals or anyone interested in knowing about their basic election process as an individual and like to enforce them for themselves or others.

Course Methodology:

The course methodology is so structured as to enhance research and writing skills along with advocacy and practice of Election Process. This course will give exhaustive study on election process in Indian perspective. It has been divided in to 4 Units for better systematic understanding of election process.

Objectives:

1. To sensitize the learner about election process and develop basic understanding of elections and their process.
2. To create awareness about election process including the voter awareness issues.
3. To create a meaningful understanding of election process in Indian democracy.
4. To sensitize students about the awareness of voting & election process in India.

5. To make students aware of their election rights and process.
6. Promotion of understanding of voter's ethics, gender equality in elections.

Significance:

The primary goal is to develop participants ability to think critically understand and deliberate on the intricacies of Election Process. It also exposes participants to the local, state and if possible national election process available for the protection of voters. This program in election process has been designed to meet the growing needs of experts in field of democracy, election issues, voters rights and election laws, The election process based jobs includes election campaign activist, party workers, election analysts, Professional Campaigner etc.
